

Our Philosophy of Service

Each and every member of the United States military has sacrificed on our behalf to protect the liberties and freedom of our nation and our daily way of life. Whether that service member served one month or thirty years, they stepped up to the line for us and our families.

Therefore, our nation – each of us citizens of this nation – ***owe a debt of gratitude towards our heroes.*** Each American, in whatever capacity they can, have an obligation to reach out and support the lives and success of those who are serving and those returning from service.

Veteran Today is committed to serving our heroes ***in a manner that matches our strengths and capabilities.*** All veterans of all service, both in peacetime and war. Of all ages, from the seniors to the youngest among them.

How You Can Help

Veteran Today / Veteran Resource Network is a ***17-year-old veteran services organization*** recognized in 2003 by the IRS as a 501(c)3 charity.

We receive no grants or external funding to provide the services to veterans and transitioning military members. 98% of our funding comes from \$10 purchases of our ***Freedom Isn't Free T-shirts*** at our outreach events from those who want to make a difference.

There are opportunities for individuals and businesses to support our efforts. ***You can click on the donation button at the VeteranToday.org website.*** Your business can participate in our very engaging employee appreciation program. Or, call our Director Lance at (704) 898-1156 10am-10pm EST.

Veteran Today Services:

Vet Help List

VetHelpList.com is hosted and maintained by Veteran Today, is the only combined national resource for veteran services including non-profit and governmental.

This online resource assists not only veterans, but the veteran support community allowing them to reach across state lines to locate everything from service dogs to emergency housing.

Troops to Truckers

The Veteran Today / Veteran Resource Network Troops to Truckers program is a national program that ***advises and assists veterans*** who want to pursue a CDL Class A driving career. Visit TroopsToTruckers.com for more information.

V-MAP Counseling

V-MAP, short for ***Veteran Mentored Action Plan***, is a unique life-coaching program provided in response to a need for a more whole-life approach to veteran development.

The V-MAP program is available in several forms. First, there is a ***mini-course video series*** available at the website VeteranToday.org. This assists veterans in getting exposure to the whole-life approach.

In addition, Veteran Today staff is available to come to any location and provide the full ***2-5 day workshop*** with veterans working together to develop their plan.

And, organizations can invite us to conduct a ***train-the-trainers workshop*** so that the organization can host its own V-MAP veteran programs all year long.

To schedule a workshop for your veterans or a train-the-trainer workshop for your leaders, call Lance at (704) 898-1156 or email Director@VeteranToday.org

Troops to Careers

The Troops to Careers program was initiated at the direct suggestion in meetings with ***military leaders***. When asked what we can do, their response was “career guidance for our soldiers.”

In response, Veteran Today initiated a program of ***career counseling for transitioning military veterans***.

This activity includes ***base visitation for career days***, individual veteran counseling, and group presentations of preparing for the post-service job search. To request your career counseling session, visit TroopsToCareers.com and register.

Ad Hoc Needs

As do many veteran service organizations, Veteran Today attempts to meet as many ***unplanned needs*** as possible. Short term cash, food, transportation, etc. We will do what we can on a case by case basis.
